

DO YOUR STAFF, STUDENTS AND VISITORS KNOW YOUR WiFi IS SAFE?

NOW YOU CAN TELL THEM

- ✓ Certification is UK Gov & IWF approved and shows your School, College or University is serious about online safety
- ✓ Checks your WiFi service includes filters to block access to child sexual abuse and pornography, and uses recognised list providers.
- ✓ Displaying the Friendly WiFi symbol is an easy way to show staff, students and visitors that the WiFi service you provide is safe
- ✓ Annual re-certification ensures your WiFi service is always compliant
- ✓ Provides piece of mind for parents
- ✓ Supports DfE guidelines and helps to ensure that appropriate filtering is in place and maintained

SHOW YOUR SCHOOL, COLLEGE OR UNIVERSITY CARES FOR ONLINE SAFETY

To find out how you can show your WiFi service is tested and safe, contact Friendly WiFi or complete the online application form [here](#)

The Safe Certification Standard for Public WiFi
initiated by  GOV.UK
